## The Snow Sister

EMMA CARROLL

Full of sadness, hope and ultimately happiness *The Snow Sister* is a heart-warming story for Christmas with a strong Victorian setting.

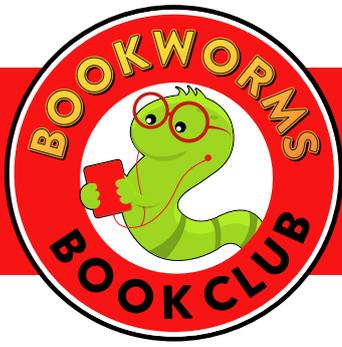

### IN DETAIL

Ever since her sister, Agnes, died, Pearl has a tradition whenever it snows. She makes a person out of snow. A snow sister. It makes Christmas feel a little less lonely. On Christmas Eve, her father receives a letter about a long-lost relative's will. Is their luck about to change? Hoping for a better Christmas, Pearl wants to make a Christmas pudding and asks for credit at Mr Noble's grocery. But she is refused, chased down the street and hit by a hansom cab. The snow is falling so hard that they can't take her home. She'll have to stay at Flintfield Manor overnight, and in a haunted room!
