Giant

Kate Scott

A feel-good book about growing up and being yourself.

IN DETAIL

Anzo is 11 years old and very, very short. Mum, Dad and his two uncles are extremely tall and also high achievers, obsessed with fulfilling their lifelong ambition of opening a restaurant together. But where does Anzo fit in? If only he could grow a few inches in height, no one would be able to overlook him. Then, overnight, Anzo starts to grow. Is life as a giant going to solve all his problems, or should he learn to just be himself?
