## The Myriad Mysteries Of Eartha Quicksmith

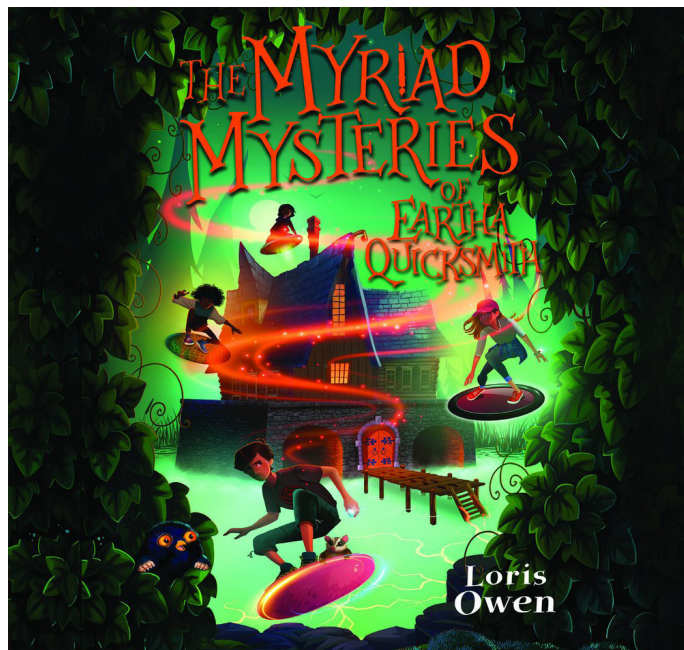

Loris Owen

### In short

A rollercoaster journey through time and space to save friends, uncover amazing new secrets and defeat old enemies.

### Synopsis

It's Kip's second term at Quicksmiths College of Strange Energy, and he and the rest of Team Glowflyer seem to be no nearer to unlocking the secrets of The Ark of Ideas set by Renaissance genius Eartha Quicksmith.

But when an accident separates the four friends, and plunges Kip and Timmi on a rollercoaster journey through time and space, they must defeat a dangerous enemy and unravel the mysteries of the Myriads if they are ever to get home again.
