Freddy The Superstar

Neill Cameron

In short

A hilarious schoolyard adventure of fame, friendship, and one robot who might short-circuit it all.

Synopsis

Freddy's life is...mixed. He's a superpowered robot - YAY! Who also has to go to school - BOO! But when Freddy and his pals get involved in the school science fair, his robot abilities mean he's suddenly the centre of attention! Which Freddy 100% loves. Will he let this brush with fame go to his head? Of course he will! But that might not go down so well with his friends...
