Katie Cotton

In short

A gripping post-war mystery of sisters, secrets, and the strange dangers lurking at Splint Hall.

Synopsis

1945. War has ended, but for sisters Isobel and Flora the struggles still continue. They've lost their father, had their home destroyed in a bombing raid, and now they must go to live with their aunt and her awful husband Mr Godfrey in their ancestral home of Splint Hall. From the moment of their arrival it seems that this is a place shrouded in mysteries and secrets. Who are the strange men who arrive with packages at night? What is the source of the strange blue sparks coming from the ground? And why do the locals seem to hate their family so much?
